Conditions governing the remittance

- It is distinctly understood that when remittance is made by telegram, the relative telegram is sent entirely at my/our risk and on my account and that your bank is not to be held liable for any delay, non-arrival, error or omission which may occur in the transmission of the message, or any misinterpretation on the part of the paying bank.
- Your bank is not to be held responsible for any consequences arising out of delayed payment or non-payment of this remittance by reason of the legal restrictions in the country of payment or cause beyond your control
- If a fund of the amount the remittance referred to on the face hereof should be desired by me/us, your may at your option repurchase the said fund at your rate for the currency indicated.
